

Card Catalog Drawer Sponsorship

Show your affection for an important piece of our library's history by sponsoring a drawer of the old card catalog on the donor board in the front entrance. For \$250, the face of a drawer will be labeled with the sponsor's name. What a wonderful opportunity for families, businesses, civic organizations, scout troops, and even book clubs to show their support for our library! Or dedicate a drawer to the memory of a person in your life who loved books and reading.
